

## 01d - Kris Nolte - Film Map

An interactive map of films I've seen in the past 15 years.

### Attributes

Click each film node for more details, including title, year, photo, IMDB link, genres, film composer and subjective music quality (based on memorability).

### Films by Genre

Hover over a film to see it's related genres. Hover over a genre to see all films of that type. Genre size reflects popularity.

### Films by Music Quality

Hover over a film to see it's music quality. Hover over a decade to see which films were made during that time.
